The letter is signed by L. & A. Bacheller for fust such'n contingency. The letter is signed by E. & A. Bacheller & Co., North Brockfield; George B. Burt & Co., Brookfield; George B. Burt & Wower, it is well enough for the public of the Stark & Co., Hoywood Boot and Shoe. Company, Dayld Cummings & Co., Walked & Brown C. C. Honghton & Co., Walked & Brown C. C. Honghton & Co., Whiteomb & Miles, J. E. Wessed, Worsester | Islae Procelly & Co., E. Wose & State Treasurer in ample time before the lirat Wednesday of January; thus allow the Co. D. Buller & Co. J. Green & Co. Rents & Allen, Kept & Co. Spenoer

An interesting feature of Air. Bass and discharge all the dulies of the State reference to the circular sont ou by "the Treasurer." Democrats of Penobsect County is, that
Postmaster Cummings of this city and
Postmaster McGraw, of Eastport, still
retain their connection with the Domocratio District Committee in spile of the
Council to thus temporarily fill the office Someths & Burr, and communications intended lamous order or this resident apput of the publication should be addressed. "Editor of bolders refraining from political activity. her, precisely an was done by Gov. Anson Mr. Cummings it seems makes a line distriction of the constitution of the political state. Treasurer Woodbury Davis was the constitutes political. State Treasurer Woodbury Davis was the constitutes and the constitutes of the constitution of the const activity. When Mr. Bass first called upon raised to the Supreme Bench, and Hod. him he stated that "as he understood the Instructions to the department relating to Federal officials, he should be violated and the roles in case be should take any action ment of Mr. Burleigh's Intentions, which the state of the relations of the r in the matter," but after Mr. Bass secured he would have been pleased to have nutrice desired proxies the arranged for hounced publicly before, it he had supposed Mr. Cumulings to call at the Commercial there would have been any demand or oc-

office where the call was prepared" and casion for it. "Mr. Cummings educurred before the call appeared in print" In this connection would be luteresting to know lest what more Mr. Cummings would have done had he not been restrained by his couching didelity to the cause of civil service reform as exemplified in President Cleveland.

has no love for Mr. Bass he certainly cannot be accused of working in the interest of the Republicans. The circular la doubtloss of Democratic origin and however writer may be it can hardly be said to be

ation as a humorist as well as economist by his veto the other day of a private per sion bill on the ground that it lind passed once before this session very samb shape. This strack his mirers as a monstrous good Joke,th of which somehow shone around him, and they tried to turn the laugh upon his political opponents. The fact the blunder was started in the Demo House by the Demogratic Clerk. The Senate bill passed first, come over to the House and was placed on the calendar. The House bill was reported by the House committee, and also took its place of enlandar. When the latter bill was no ched it was fald on the table, and the passed. But the House bill by a blinde of the Clerk, got into the hands of the

there. But the President's statement that it passed both houses was incorrect lever passed the House of Representahis mind since he wrote his famous i to Chalrman Jones. But if the nothing-Republican party without being ungrate-

tion, and I feel he is the strongest map

latest sensation with regard to Mr. Blaine, be tag failed of his mark, if by the qubit-called he expected to improve the chances of the nomination of that leader.—New boost a turiff man. In conclusion, 'I not Evening Post. nombastion if it is tendered to him."

and then up would go the price of foreign The following letter has been sent to half just us it did when the duty was and a fifth per annum we are not disposed

Amendment to the Inter State Commerce

WASHINGTON, May 9. The Senate committee on the Inter-State, Commerce today ordered a favorable report upon an amendment to the ICh section of the Inter-State Commerce law, which section now provides for sammary proceeding by mandatory or other process by the United States Circuit Court sitting in equity, to enforce any lawful order or requirement of the Commission. The amendment continues the provisions of the section as they now stand as to any order or requirement of the Commission not feeded upon controversy requiring trial by Jury It is of the Commission not founded upon controversy requiring trial by jury It is proposed that the Commission or any person interested may apply in a summary way to the Circuit Courts sitting as courts of law. The amendment makes provision for the speedy trial of such chuses and are the interest of the Circuit Court of the Sente the Indian of Itobert B. Rossevelt of New York, to be will later to the Neth rland. Division of Sons of

PLUCK

BY JOHN STRANGE WINTER Author of "Caralry Lafe," Bootles Boby, "Houp-La," A Mon of Honor, Etc. (cox1:1020.)

Now this Harkness thought, was going just a shade too far in the gratification of whathe cochildred to be more idle curiestry.

"Well, to tell you the truth, Mrs. Blambr," he said, politely, "that is a question I have not yot saked mysolf."

"On, roully Inturned Mrs. Stamer, feeling very much as she-might have done had abe unexpectedly ran her bead against a stone wall.

wall.

It was just as well for her comfort that some one addressed her at that moment. Harkness, with a look of annoyance turned back to Give.

"There's nothing so annoying as inquisitiveness," he murmured.

"Importinence I call it," said Office hearty. sharrly.

"Well, one might almost say so; but I days asy she only meant to show a kindly interest."—his usual good humor coming back to him. "But are you ust going to wish me ldy also?"

Olive lifted her big over with a smile. "Every joy!" she said, in a low and treat-leave volor; then even a start. "I I her

lous voice; then gave a start. "I-I-log your pardon, Mr. Hactos; what did you

Hartog, who saw the quivering of her lips and the stallen deepening of the lovely bloom upon her checks, replied that he only asked her now she liked the concert. "Oh, Immonsely! And Trobelli is more chahanting than ever! she repiled, with an orthusiasm such as one night expect from a young lady whose rout was in Eige-lum.

lum.
"Yes, I think so, too. That Marguerile song is charming, and jis: the thing for \$k. Valentine. By the by, illd you get, many

NGVER HEARD OF "DAVY CROCKETT'S COON?"

That's queer! Well, it was like this: Col. Crockett was noted for his skill as a marksman. One day he leveled his gan at a raccon in a tree, when the animal, knowing the Colone's prowess, cried out, "Hello, there! Are you Davy Crockett's If you are, I'll lust come down, for I know I'm a gone coon." Just take a dase of Dr. Pierce's Pleasant Purgative Pelleta, and see how quickly your billousness and indication will conside the example of "Davy Crockett's coon," and declimb down." They are specifies for all derangements of the liver, stomach and howels.

IN TO be Given Away.

To be Civen Away.

Now, as every one knows, thoughts hy much faster than words; and while he was spenking Olive had time to think a good deal—to realize that the initial? A. H. stood for Anthony Hactog, not for the heal not arked the lady to name the ordered and he letter to her mother, and had said, with all signs of joy, that she should wear it that ovening, to remember that she had wern it, and that, in mistaking the giver of it, she had made a mistaking the giver of it, she had made a mistaking the giver of it, she had made a mistaking the giver of it, she had made a mistaking the giver of it, she had made of the letter and locket neither she never her life's and.

She remembered, now, that in showing the letter and locket neither she nor her mother had monitored a mame, both using only the familiar pronoun by which was often appack of a wall understood porner. If the drew back now, her mother would know a moreunt that she had been mistaken; and not even jor meticer mist ever know it. Then, if she drew back now, Harriog would know it, too, who might even he mist ever know it. No—like one flash of lightning did these thoughts, all reals through her brain—she must abide by the consequences of her grievous mistake, be they what they might. It was of this point that she all at one frightened Hartog, almost out of his seven remay by during, my darling!) be criod, soothingly. "Fray don't ery say don't, darling. I know all this has upset ypu—no woulder, but you do, ladood."

"My darling, my darling" he cried "My dering, my dering me cried."
Evantasily, Olive draw hereil away, and began to dry her-sys, saying meetly, that she was very sorry, she hadn't mean to be supply to be meant to be supply to be adopting the was the was continued to be be one of the meant of the was continued to the was continued to the was continued to the was continued to the continued to the
